Scope Of Supply

SERVICES

- ▣ Janitorial Services
- ▣ Equipment Lease & Maintenance
- ▣ Vehicle Lease & Maintenance
- ▣ Project Consultants

SUPPLY

- ▣ Oilfield Equipments
- ▣ Vehicles & Spare Parts
- ▣ Earth Moving Equipment
- ▣ Electrical & Instrumentation
- ▣ Chemicals & Other Products
- ▣ Lubricants
- ▣ Prefabricated Living Containers & Pre Engineered Buildings
- ▣ Safety Equipments
- ▣ Lifting Equipments
- ▣ Medical Supplies
- ▣ Office/IT Equipment
- ▣ Water Treatment Plant

A to Z Relief Supply list

- A. Concertina & Barbed Wire**
- B. Chain Link Fencing**
- C. Concrete Barriers**
- D. Plywood & Lumber – All Sizes**
- E. TV's & Plasma Screens**
- F. Building Materials**
- G. Vehicles**
- H. Earth moving machineries**
- I. Spare Parts for Vehicles**
- J. Tires for Vehicles & Humvees**
- K. Tents**
- L. Tower Lights**
- M. Concrete Cement**
- N. HESCO Barriers**
- O. Generators with cables**
- P. Bunk Beds, Mattresses, Bed-Sheets & Pillows**
- Q. Photocopier's and Accessories**
- R. I.T Equipment**
- S. CISCO Equipment**
- T. Motorola Products**
- U. 3M Safety Products**
- V. Safety Shoes**
- W. Containerized Living Units**
- X. ECU's & Package units**
- Y. Forklifts & material handling Equipments**
- Z. Security system Products**

Project Management

Turnkey project solutions including Conceptualization, Design, Procurement, Logistics, Installation, Testing & Commissioning, Handover and Maintenance of:

- i. Power Generation & Distribution
- ii. Billeting
- iii. Pre-Engineered buildings, warehouses, sheds etc.
- iv. Containerized housing units
- v. Dining Facilities
- vi. MWR Facility
- vii. Hospital/Clinic Facility
- viii. Fuel Farm
- ix. Water & Sewage Treatment
- x. Security & Surveillance

Maitha General Trading LLC - Scope

Product Supplies

Relief Supplies & Reconstruction Materials

- Wash Basins
- Rechargeable Solar Lights
- Oxfam Buckets
- Kerosene Heaters
- Kerosene Cookers
- Tarpaulin
- Plastic Cabinets
- Thermos
- Cool box
- Garbage Container
- Dust Bin

Vehicle and Equipment

- Earth Moving Equipment's
- All types Passenger vehicles
- SUV's & ATV's
- Trucks & Trailers
- Spare Parts for above

Safety /HSE Products & Equipment's

- 3M Safety & HSE Products
- Respiratory Masks
- Coveralls
- Gloves (chemical, mechanical & general)
- Safety Shoes
- FR Garments
- Fire Fighting Suits
- Fall Protection Devices
- Welding Protection

Office / IT Equipment's

- Office Furniture
- Laptops, Computers, Printers, Scanners etc.
- LAN & Networking equipment's
- Photocopier's and Accessories

Food items

- Wheat & Wheat Flour
- Maize & Maize Flour
- Sugar (All kinds)
- Rice (All kinds)
- Various Food products for Cattle Feed
- Individual food packets
- Meal Ready to Eat

Power Generation & Distribution

- Generators (15KVA to 1 MV)
- Electrical Cables (XLPE, PVC coating etc)
- Circuit Breakers
- MCB's
- ELCB's
- Sockets
- Switches
- Bus Bars
- Lugs & Accessories
- MDP's & SDP's
- Transformers
- Cable Trays

Building Materials

- Plywood & Lumber – All Sizes
- Plumbing Materials
- Electrical Materials
- Concertina & Barbed Wire & Chain Link Fencing
- Tower Lights

Temporary Accommodation

- All types of TENTS
- Portable Living Containers
- Prefabricated CHU's
- Shower Trailers
- Latrine Trailers
- Laundry Trailers
- Kitchen Trailers

Furniture

- Single Beds, Bunk & Wooden
- Linen Sets
- Pillows
- Wooden Cabinets
- Bed Side table & lamps
- Reading table
- Night Stand
- Chairs

Services

- Turnkey contracts for Modular Man Camp's
- MRO Services
- Life Support services.
- Temporary Accommodations buildings
- Camp maintenance services
- Facility Management
- Janitorial services
- HVAC Climate control services
- Vehicles and MHE lease and services
- MEP services
- Security & Surveillances
- Logistics, Clearing & Forwarding Services

Warehousing & Quality Control

- ▣ Once the material reaches the local MGT warehouse, full quality checks are performed in a proper manner
- ▣ Supervisor checks all material item wise
 - Description checks
 - Packing checks
 - Weightage etc
- ▣ Respective buyer is called to confirm the goods ordered
- ▣ Quality control inspector is called for final supervision.
- ▣ MGT Group provides quality assurance in product supply in various standards like API, DIN, CE, JIS & ISO certified company products.
- ▣ These certifications indicate that the quality procedures utilized by the plant conform to international norms and are equal to those of other procedures of similar goods.
- ▣ The quality assurance staff is supported with the necessary management systems, tools and gauges.
- ▣ The MGT Group has its own in-house carpentry workshop which designs its own pallets & boxes and shrink wrapping is done according to the customer's requirements.
- ▣ Different slots in the warehouse are allocated to different customers and separate control checks are placed for incoming and outgoing cargo.

- Experienced Program Management
- Mentoring, Equipping and Sustaining
- Nascent Police Support
- Workforce, Material, Classroom and Technology Solutions

El Salvador – Promoting an Ethics Culture for University Students (PECUS) program – Casals & Associates, a DI company, worked with academic coordinators and professors of higher education to promote an ethics culture among future graduates

We are committed to advancing global security and strengthening local economies.

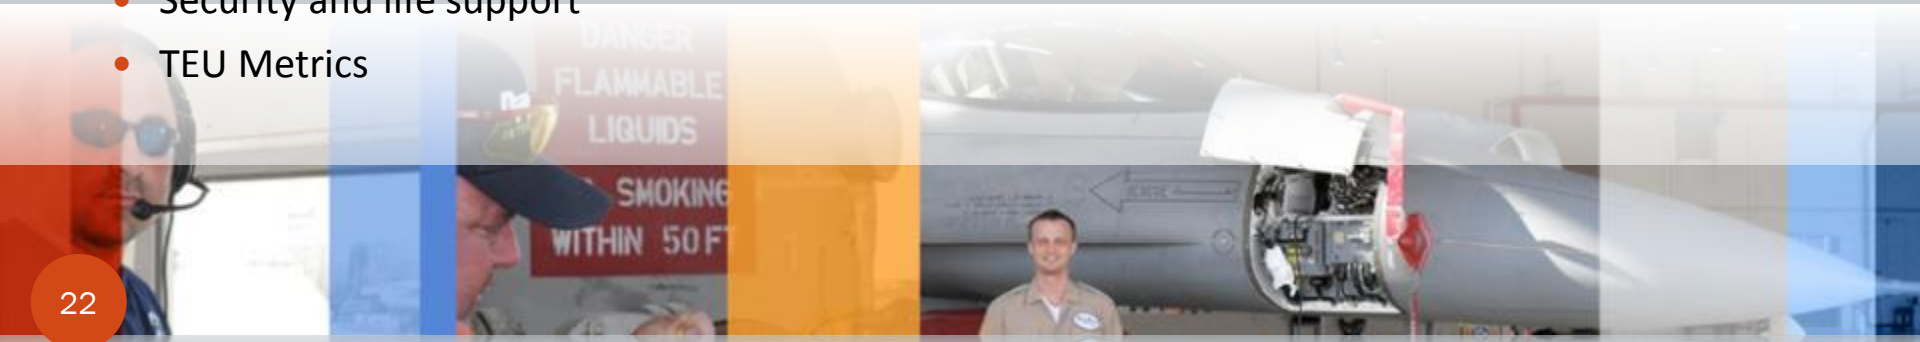

Base Operations

- Ammunition management, storage, receipt and issue
- Base environmental services
- Engineering and consulting
- Facility planning, construction build, management, operations and maintenance
- Food services and lodging/billeting
- Full-spectrum installation logistics operations (DOL)
- Hospital and medical facilities maintenance
- IT
- Plumbing and HVAC maintenance
- Power generation and utility operations
- Program management
- Public works
- Roads and grounds maintenance
- Security and life support

Commercial and Military Port Operations

- Port Logistics management, storage, receipt and issue
- Port & Ship environmental services
- Marine Engineering and consulting
- Port Facility planning, construction build, management, operations and maintenance
- Container repair and storage
- Full-spectrum installation logistics operations (DOL)
- Customs integration, screening, scheduling & movement
- IT
- Port to Ship Power generation and utility operations
- Maritime Program management
- Port Public works
- Roads and grounds maintenance
- Security and life support
- TEU Metrics

Vehicle Maintenance Support

- Maintenance

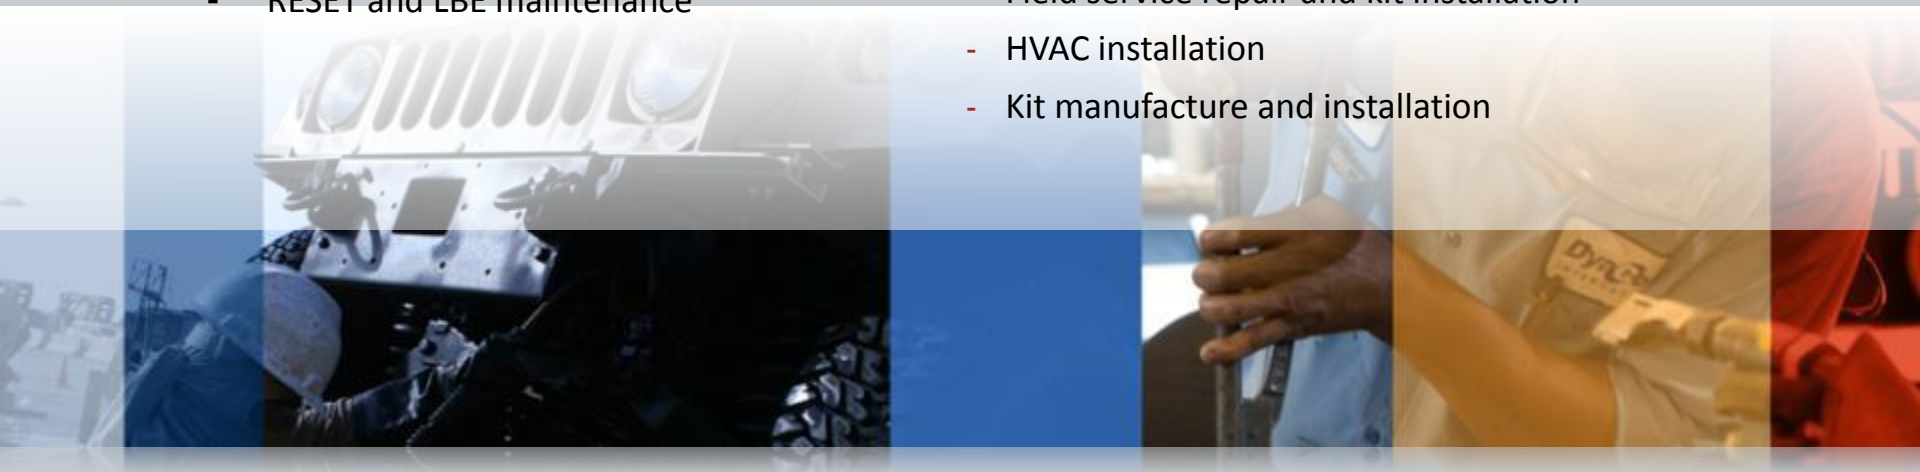

- Advanced diagnostics/fault isolation
- Complete aftermarket logistics support
- Corrosion control
- Depot support
- Fleet maintenance
- Load testing and serviceability inspections
- Managerial support
- Operator, intermediate and sustainment level maintenance
- Quality control – ISO 9000:2008 certification
- RESET and LBE maintenance

- Training

- Instructor and key personnel training
- New equipment training (NET)
- Technical manual updates
- Technical training instructor
- User test training
- Vehicle familiarization training

- Modifications

- Armor replacement and up-armor modifications
- Configuration management
- Field service repair and kit installation
- HVAC installation
- Kit manufacture and installation

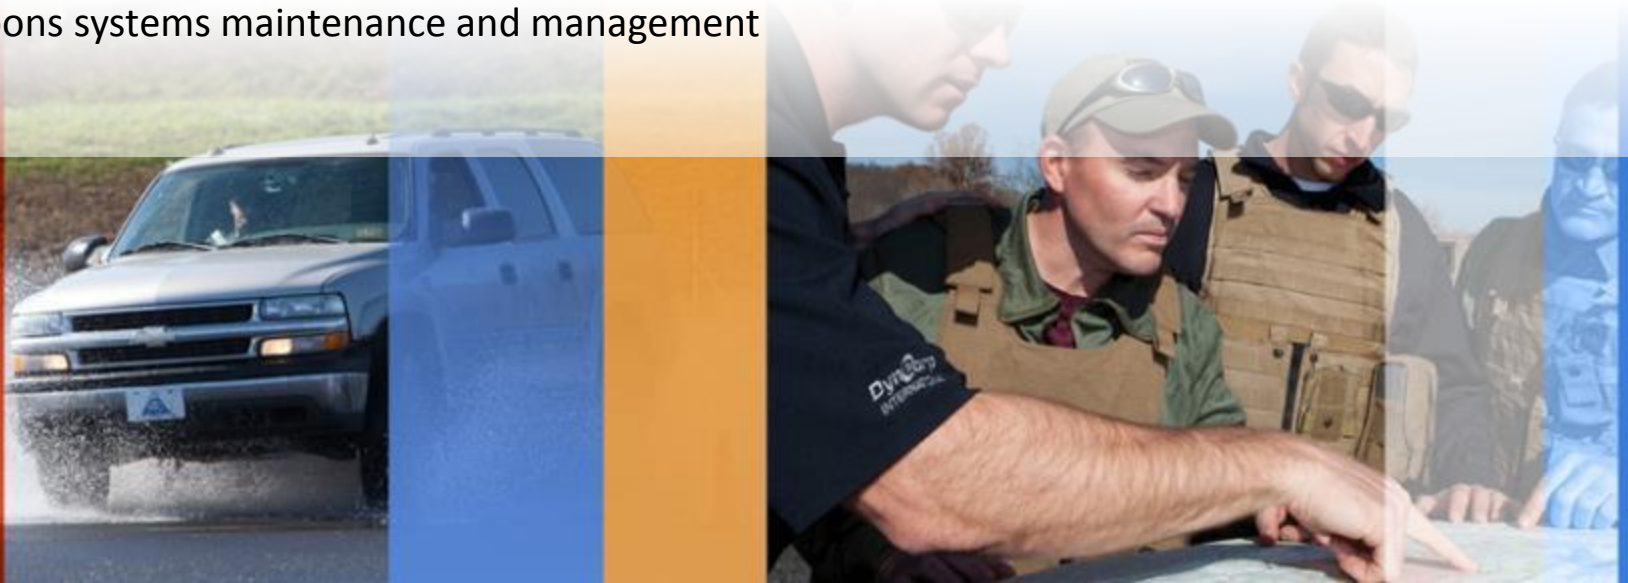

Contingency Operations

- Airfield and aircraft management
- Aviation and ground equipment maintenance
- Billeting management
- Airfield operations
- Biometric badging and screening
- Camp construction
- Custodial and roads/grounds services
- Disaster readiness and response
- Equipment cleaning and customs clearance
- Facility, vehicles and equipment maintenance and operation
- Firefighting
- Food service
- Fuel and consumables management
- Hazardous waste management
- Infrastructure engineering and construction management
- Laundry
- Operations and maintenance
- Pest management
- Power generation
- Movement control
- Roads and grounds
- SSA support
- Recovery operations
- Supply chain management
- Telecom, information technology and Internet infrastructure
- Water, wastewater and electrical systems
- Water well construction

Security Services

- Biometric identification systems
- Command and control centers
- Convoy training and operations
- Electronic systems management
- Experienced program management
- Explosive detection dogs
- Facility security and asset protection
- Licensed law enforcement and security professionals
- Protective security details
- Weapons systems maintenance and management

Air Operations

Supporting specialty aviation needs worldwide.

- Aerial operations in hostile/remote/austere locations
- Counter narco-terrorism/special operations
- Illicit crop surveillance, crop eradication, mission verification and analysis
- Host nation mission training and nationalization
- Long line/sling operations
- NVG/NVS operations and training
- Secure personnel and cargo air transportation
 - Aero-medical evacuation
 - Secure VIP transport

Aviation Maintenance and Support

Organizing and deploying workforce, materiel and technology solutions wherever we are needed.

- Aircraft maintenance, modifications, operations and fleet management
 - Airlift, fighter, trainer, attack and utility aircraft
 - AH-64 Apache variants, AH-64D, Blackhawk, CH-47 Chinook
 - UN1Ns, Gulfstream and Boeing aircraft
 - U.S. Air Force's fleet of C-21A airplanes
 - T-6, T-1 and T-38 aircraft
 - Ground support equipment
 - Organizational, intermediate and depot-level maintenance
 - Contractor Field Teams deployed worldwide
- Aircrew and airfield services
- Complete logistics support
- Firefighting
- Maintenance and operations
- Program management
- Quality control and employee training

International Aviation

- Aircraft Maintenance, Modifications, Operations and Fleet Management
 - Airlift, Fighter, Trainer, Attack and Utility Aircraft
 - Mi-26, AH-64 Apache variants, AH-64D, Blackhawk, F/A-18, F-16 and Combat Scout aircraft
 - Ground Support Equipment
 - Organizational, Intermediate and Depot Maintenance
 - Contractor Field Teams Deployed Worldwide
 - Aircrew and Airfield Services
- Complete Logistics Support
 - Aerial Firefighting
 - Maintenance and Operations
- Program Management, Quality Control and Employee Training

Commercial Aviation

- **Aircraft Maintenance, Modifications, Operations and Fleet Management**
 - Aerospace Operations
 - Airport, Terminal and Airfield Operations
 - Maintenance, Repair and Overhaul
 - Contractor Field Teams Deployed Worldwide
- **Commercial A, B, C & D Maintenance Checks**
- **Aircrew and Airfield Services**
- **Complete Logistics Support**
- **Pilot, Operator and Technician Training**
- **Maintenance and Operations**
- **Program Management**
- **Continuous Improvement and Quality Control**
- **Fulfilling FAA, JAA, EASA as Required**

Very Important Person
Special Air Missions
(VIPSAM) Program –
Has earned the
prestigious FAA
Diamond Award for
Excellence for 10
consecutive years;
Providing support of
Gulfstream, Boeing,
and Bell platforms

We specialize in keeping aircraft mission-ready
and operating at peak performance.
